Report No. SI 2306-1432

Single product
Particle Emission

Qualification Certificate

This is to certify that the product mentioned above, provided by

Signify Hungary Kft.

Tamási, Hungary

has been awarded a Fraunhofer certificate TESTED DEVICE bearing the report number SI 2306-1432.

The luminaire 912401483375 CR350B LED60S/940 PSD W30L120 (color: white) was assessed in compliance with ISO 14644-14. When operated under the specified test conditions, it is suitable for use in cleanrooms fulfilling the specifications of the following Air Cleanliness Class according to ISO 14644-1:

Test parameter(s)	Air Cleanliness Class
Structure-borne noise = approx. 50Hz	1
Overall result	

It should be noted that cleanrooms of Class 1 to 5 according to ISO 14644-1 have a higher filter occupancy, which may restrict the use of panel lighting systems. Cleanrooms with a horizontal displacement flow form an exception to this. The test result may be affected by the surrounding ceiling system. Please note: Transport damages, incorrect installation, aging behavior, corrosion etc. can influence the test result.
